Disclaimer for Disciplinary Action Summary

The reports contained as part of this web site represent summaries of those formal disciplinary orders issued by the Department of Consumer Affairs (DCA) and its participating programs, boards, committees, and commissions, imposing suspension, revocation or other discipline. Disciplinary proceedings which are resolved by dismissal of the accusation or otherwise result in no actual discipline of a license are not reported at this web site. The lack of a summary for a particular licensed person does not mean that the licensee has never been the subject of an accusation or administrative discipline.
